## The Advantage College Savings Plan

Higher learning is one of the best investments you can make in your children's future. With sound planning you can be ready for college when your children are. Make a promise to save and we'll help you create a plan to succeed.

### Affordable

One of the key features of The Advantage<sup>®</sup> saving plan is its affordable payment structure. With an initial minimum investment of only \$250 and a monthly contribution of \$100, the dream of a college education for your children can now become a reality.

### Flexible

The Advantage<sup>®</sup> offers investment options suited to your individual time horizon and tolerance for risk. You may vary your investment options as your child ages, and if your financial situation changes you may choose to increase or decrease your contributions.

### Personalized

Your CFAL professional advisor will work one-on-one with you to explain your options and help you select an investment strategy based on a thorough understanding of your needs. It's one more way we're helping you to seize your future.
