FACT SHEET

The following summary is intended to highlight certain information contained in the body of the Offering Memorandum where more detailed information is found. The information on the Fund set out below should be read in conjunction with the full text of this document, from which it is derived.

FUND INVESTMENT OBJECTIVE:

CFAL Money Market Investment Fund, Ltd. (The Fund) seeks to provide investors with a return consistent with safety of principal and maintenance of liquidity, while simultaneously providing a return competitive to local commercial bank fixed deposit rates.

FUND INVESTMENT STRATEGY

The Fund will seek to achieve its objective by investing in fixed income securities with an attractive total return without undue risk to principal.

FUND SUITABILITY

This strategy is suitable for ultra-conservative investors seeking attractive returns over a short horizon.
