

Thank you for your interest in Port Nassau

The project is still in its early stages and the relevant parties are still in the negotiation process with the Government of The Bahamas. Therefore, details are expected to change.

Please note the preliminary details:

- ◇ Investments in Port Nassau will be available to eligible Bahamians and Permanent Residents and is slated for broad-based participation.
- ◇ There will be two available investment classes:

Class Type	Anticipated Availability Date
Bond Class	December 2019
Equity Class	December 2021

- ◇ For the Equity Class, loans of up to \$1,000 will be made available to interested investors who do not have the available cash. To this end, a grant of up to \$10,000,000 is expected to be established to assist small investors with financing at a 0% interest rate.

Thank you for your interest in investing in Port Nassau. This project is expected to be an iconic and transformative undertaking. Please monitor our website, social media pages and other media outlets for further information.
