

External Asset Management

Take advantage of our service solutions.

CFAL provides an array of high quality, customized support services for independent asset managers and multifamily offices. Our team of experienced and professional staff will assist External Asset Managers (EAMs) in managing their growing businesses more proficiently.

Partnering with CFAL will afford EAMs with a number of value propositions:

- Diversify your EAM services utilizing CFAL, a reputable company in a reputable jurisdiction.
- A dedicated Relationship Manager.
- Seamless Registration and Onboarding Process.
- Access to CFAL's user-friendly online platform.
- International trading and settlement of all transactions with a selection of reputable global Custodian banks.
- High-quality, efficient services at a competitive fee structure.
- Tailored reporting.

Please contact us directly to discuss our External Asset Management Services product offerings further. We can be reached at [1-242-502-7011](tel:1-242-502-7011) or via email at info@cfal.com.
